

Washington R/C Flyers – Meeting

4-14-26

Attended: 9 members - Scott Mohr, James Taylor, Mark Reeves, Marshall Logue, Ron Ghighi, Hal Baker, Chris Cherwin, Bob Warner, and Warren Bieze

Guests / New members: No guests or new members were present. The Club Charter, Insurance, and field lease for 2026 are complete. Monthly flying program: Looks like about 5 members are still active in that program through the end of March.

Field Maintenance Projects:

Our picnic and pilot stand tables are in need of sprucing up. Paint or other protective coating will be applied this spring. The Pilot stations are in need of some repair as well.

The shed, outhouse, and pavilion will be inspected for needed repair.

The runway mat is still our main priority and will be leveled and repaired or replaced as needed. Bob Barry has ok'ed the needed work so a plan will be developed after the spring take off event on Saturday May 2nd

.A windsock has been installed and should be good for the season.

WRCF Field Maintenance

_On April 21 we had our first field maintenance day it went over extremely well! We got the shed floor repaired where the critter had chewed through. We removed all the staples from the center and ends of the mat rolled back the center one and folded back each side, boy was that fun in 20mph winds! Then a great thanks to Jim and Bob for providing the heavy equipment to smooth in all the ruts and removal of the 5 bucket loads of broken concrete! The the next day with a little less wind the mat was reinstalled and a first coat of sealer. Thanks to all the great volunteers! Mark Reaves. Hal Baker, Tom Imhoff,

Marshall Logue, Jim Gerst, Jim Taylor, Bob Warner, Bob Barry, Scott Mohr, Warren Bieze Thanks everyone! Also Jim Grob and Scott Mohr for painting and repairing the panel on the pavilion! We still have more to do so if you can help, please do.

Pushing Foam

A new section in the news letter for all club members! Send me by email what you are doing in the RC world any interest, what your working on, what your looking for, questions (hopefully someone will have an answer or idea), something you might want to get rid of, etc.

New Field Entrance

Drive up to our gate, turn left and follow the fence line on the right.

. Next meeting May 12th meeting – will be held at the field 6:30pm

Keep up to date on all events at our web site. New mowing schedule posted on web site
